DESIGN & INSTALLATION MODULAR CLEANROOMS

Guardtech Cleanrooms offer a wide selection of modular cleanrooms suitable for a range of industries. Choose from either a bespoke design or a standard configuration.

-  **DESIGN & CONSULTANCY**
-  **FULL TURNKEY SOLUTIONS**
-  **LARGE-SCALE CONSTRUCTION**

Cleanroom solutions

With a rich history in high-quality controlled environment design & build services, Cleanroom Solutions is the Guardtech Group's specialist company for large-scale bespoke turnkey projects.

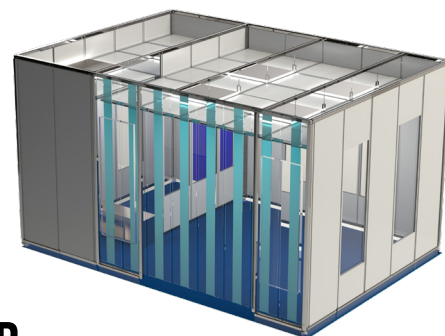

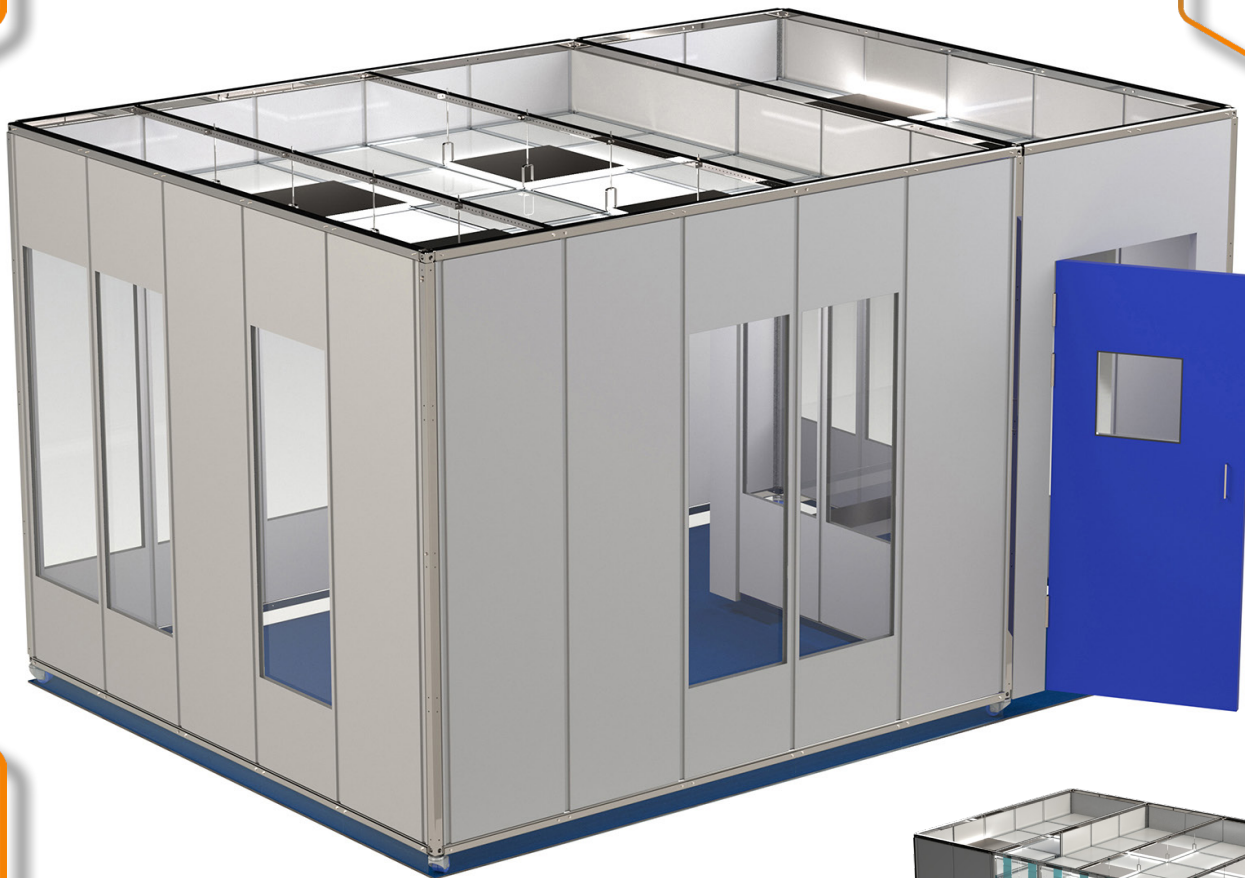

-  **CLEANROOM MODULES**
-  **OFF-SITE CONSTRUCTION**
-  **PLUG AND PLAY**

Isoblok Cleanrooms are pre-fabricated 'plug and play' controlled environment modules constructed off site as standard units or as customised configurations.

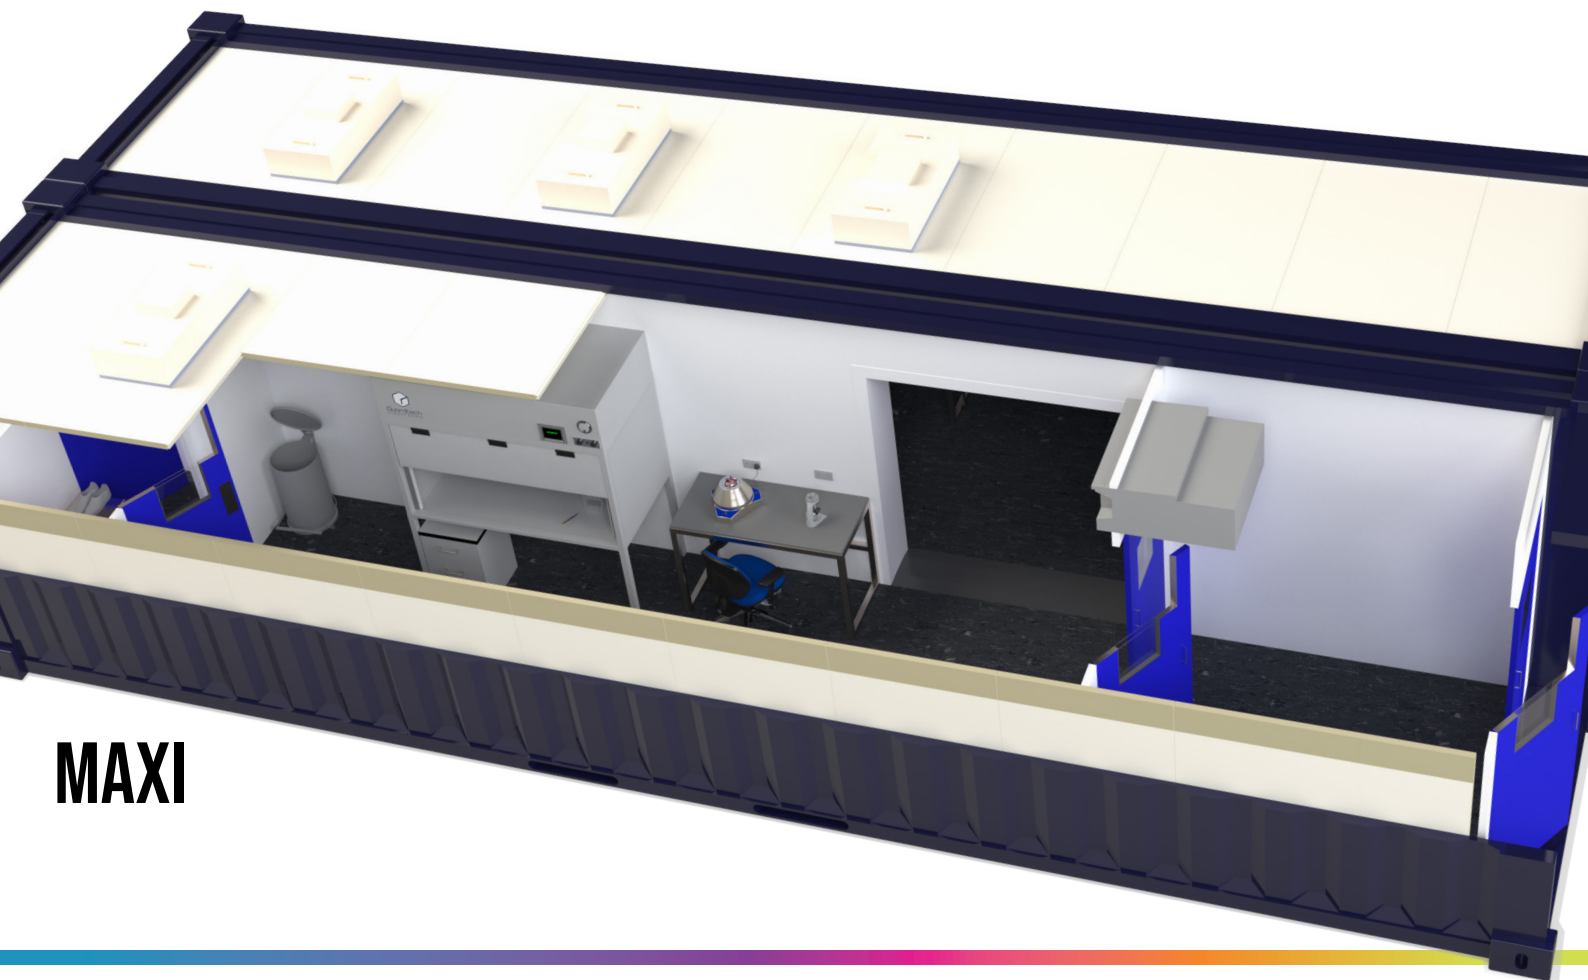

Isopod
rapid cleanrooms

-  **QUICK ASSEMBLY**
-  **FLAT-PACK DELIVERY**
-  **ONLINE CONFIGURATOR**

A quicker, more flexible and cost-effective alternative – standardised models made from stock, available for flat-pack delivery, with the option for self-assembly installation.
